

Reboot Your Commute with Go Coast!

Wilmington-area commuters are invited to take part in the **2026 Go Coast Commuter Challenge**, October 5–18! Swap out driving alone for walking, biking, carpooling, transit, or another alternative transportation option and get entered to win prizes from local businesses. Even tracking one trip can put you in the running, and teams have opportunities to win big, too!

Rally your coworkers, friends, or neighbors and reboot your commute. **Learn more, see the prizes, and sign up at gocoastnc.org.**
