

Hi all! Our workplace is forming a team to participate in the 2026 Go Coast Commuter Challenge! It's simple – we log commutes/trips that replace driving alone with carpooling, public transit, biking/walking, or teleworking, and get entered into drawings for prizes from local businesses.

There's some great stuff to win, for teams (a guided tour at Airlie Gardens) and for individuals (gift certificates, tickets to museums/shows, and more!).

The challenge dates: October 5-18. Track your trips at gocoastnc.org/2026-commuter-challenge. When you enter your miles traveled, be sure to indicate our team name, _____!

Let's do our part for cleaner air and a chance to win those sweet prizes!
